Northgate Logistics Partners

Fund Overview & Strategy — Fourth Quarter 2025

Northgate Real Estate • Closed-End Value-Add Industrial Fund • Newly Formed

Fund Strategy

Northgate Logistics Partners is a value-add industrial fund targeting the acquisition and repositioning of infill logistics and outdoor-storage assets in high-growth Sun Belt and Mountain-West markets. The strategy focuses on lease-up, mark-to-market of below-market rents, and selective development completion.

Investment Pipeline

The Fund is in its initial deployment period. The near-term pipeline under evaluation includes **Sunbelt Distribution Portfolio (Phoenix/Las Vegas)**, an infill last-mile package, and **Front Range Outdoor Storage (Denver)**. No capital had been drawn as of quarter-end.

Terms

The Fund holds a first close in the fourth quarter of 2025. No performance is reported for the period as the Fund is newly formed and unfunded.
